<p>The chart displays the daily precipitation (in mm) for each day of the year. The x-axis represents the day of the year (1 to 365), and the y-axis represents precipitation in mm (0.0 to 60.0). The solid blue bars show the daily precipitation values. The dashed red line indicates the number of days with precipitation. The chart shows a peak in precipitation during the winter months (December to February) and a minimum during the summer months (July to September).</p>
